6.14.030 VICIOUS DOG ABATEMENT HEARING PROCEDURE.

Purpose and Intent. Within the City of Lodi there are vicious dogs which constitute a public nuisance which should be abated. The provisions of this section provide an administrative procedure by which dogs found to be a nuisance may be abated following a hearing at which oral and documentary evidence is considered. This section is intended to supplement rather than supplant any other remedy available either under state law or the Lodi Municipal Code.

a. **Vicious Dog Defined.** Any dog, except one assisting a peace officer or park ranger engaged in law enforcement duties, which demonstrates any of the following behavior, is presumed vicious:

1. An attack which requires a defensive action by any person to prevent bodily injury or property damage when such person is conducting himself or herself peacefully and lawfully.
 2. An attack which results in property damage or in an injury to a person when such a person is conducting himself or herself peacefully and lawfully.
 3. An attack on another animal, livestock, or poultry which occurs on property other than that of the owner of the attacking dog.
 4. Any behavior which constitutes a threat of bodily harm to a person when such person is conducting himself or herself peacefully and lawfully.
- b. For the purposes of this section, a person is conducting himself or herself peacefully and lawfully upon the private property of an owner or possessor of the dog when he or she is on such property in the performance of any duty imposed on such person by state or local law or by the laws or postal regulations of the United States, or when he or she is on such property upon invitation, either expressed or implied.
- c. **Investigation.** Any incident reported to the Lodi Police Department concerning a vicious dog may be investigated by the Police Chief, or his designee. The investigation may consist

of the observations and/or reports of officers made at the time of the incident, or follow-up reports. If, based on the investigation, the Police Chief or his designee, concludes that there is probable cause to believe that the dog is vicious, he shall so certify in writing within ten (10) working days following completion of the investigation to the person owning or controlling the dog. Thereafter a hearing may be held pursuant to subsections (e), (f) and (g) below.

- d. **Confinement of Dog.** If the Police Chief or his designee, certifies that there is probable cause to believe that a dog is vicious and a risk to public safety, he may direct any animal control officer, police officer or other authorized employee of the City to enter the yard of any private residence or business in order to seize any such dog, whether running at large or not, and confine the dog at an appropriate animal shelter pending the decision of the City Manager or his designee, following the hearing provided for in subsections (e), (f) and (g) below. The cost of said confinement shall be paid by the person owning or controlling such dog. The dog shall not be released until such costs have been paid in full.

- e. **Hearing-Schedule.** A hearing date shall be set not later than fifteen (15) working days from the date of certification. The City Manager, or the appointed hearing officer, shall mail or otherwise deliver to the owner or person controlling the dog and other interested persons, which may include but is not

necessarily limited to, properties within three hundred (300) feet of the address of the owner or person controlling the dog, at least five (5) working days prior to the date set for hearing, a notice in substantially the following form:

FURTHER NOTICE IS HEREBY GIVEN that on _____ the _____ day of _____, 19____, at the hour of _____ o'clock, in the offices of the City Manager, City Hall, 221 West Pine Street, Lodi, California, the report of the Police Chief or his designee, will be considered by the City Manager or an appointed hearing officer with such other oral and documentary evidence bearing upon the question of whether your dog is vicious. You may appear and may present evidence at the hearing. You may also be represented by an attorney. If

you fail to appear without giving notice to the City Manager, the matter may proceed in your absence and such absence may be further considered a waiver of your right to present evidence and object to any decision made.

In the event your dog is found to be vicious, it will be ordered to be controlled, confined, destroyed, restricted, or otherwise abated as a public nuisance and any impoundment cost incurred shall be assessed against you.

A copy of this notice has been sent to property owners within three hundred (300) feet of your address.

Dated: _____

City Manager

- f. **Hearing-Procedure.** At the hearing, which may be continued from time to time, both oral and documentary evidence may be taken from any interested person and considered in determining whether the dog is vicious. Any owner who fails to appear after notice as provided herein was given, without obtaining a continuance from the City Manager or an appointed hearing officer, may be deemed to have waived any right to introduce evidence or object to an order made by the City Manager. If the hearing is conducted by a hearing officer other than the City Manager, the hearing officer shall submit a report to the City Manager

summarizing the evidence and making a recommendation as to disposition.

- g. **Hearing-Findings: Public Nuisance.** If, based upon the hearing, and the report of the hearing officer, if any, the City Manager upholds the findings of the Police Chief or his designee, that the dog is vicious, the City Manager shall so specify in writing together with the reasons therefor. Any dog found to be vicious is hereby deemed a public nuisance and shall be, pursuant to the order of the City Manager, humanely destroyed, be removed from the City, or the nuisance otherwise abated by appropriate order of the City Manager including, but not limited to, confinement, fencing, muzzling or leashing. The decision of the City Manager shall be made within ten (10) working days after the conclusion of the hearing and shall be final. A copy of the decision shall be sent by certified mail or personally served upon the person owning or controlling the dog.
- h. **Cost of Impoundment.** If the City Manager finds the dog is vicious, the costs of impoundment incurred by the City, including any abatement period, shall be paid by the owner or the person controlling the dog and may become a lien against the real property upon which the dog was kept and maintained until said lien is paid. If the order includes the release of a dog found to be vicious to the owner or person controlling it, the dog shall not be released until such costs have been paid in full. If such costs have not been paid within thirty (30) calendar days

after the date of mailing or delivery of the order, the City Manager may dispose of the dog in any manner provided by law, or return the dog and pursue alternative collection procedures. The total amount of the impoundment charges may be entered on the next fiscal year tax roll as a lien against the property upon which the dog was maintained and shall be subject to the same penalties as are provided for other delinquent taxes, liens or assessments of the City, or an action may be brought in the name of the City to recover the costs of impoundment.

- i. **Criminal Sanctions.** The first violation of any order issued pursuant to subsection (g) above shall constitute an infraction. The second and any further violations within twenty-four (24) months of the order shall be misdemeanors.

6.14.040 SANITATION OF PREMISES.

- A. It shall be unlawful for any person, at any time, to maintain any lot or other premises, or any portion thereof in the City, upon which an animal is kept, in an unsanitary condition. No person shall maintain any such lot or premises, or portion thereof upon which an animal is kept, in such condition as to be infested with flies or insects or to create any noxious or offensive odors.
- B. It shall be unlawful for any person owning or having charge, care, control or custody of any animal to allow animal waste or fecal matter produced by said animal to accumulate or remain on the ground or about the premises or property for more than three

(3) days without said animal waste or fecal matter being placed in an airtight bag or other container and removed from the property within seven (7) days.

- C. Notwithstanding the above, any person owning or having charge, care, control or custody of any animal shall at all times prevent urine and/or feces odors of said animal's waste from hindering, hampering, impeding, interfering with, infringing upon, or detracting from another person's enjoyment of their real or personal property.

6.14.050 REMOVAL OF ANIMAL WASTE

- A. It is unlawful for the owner or any person having custody of any dog, cat or other domesticated animal, referred to as "animal" in this section, to fail to immediately remove and dispose of any feces deposited by the animal on either public property or on private property not under the control of such person. Disposal shall be by placing the feces in a closed or sealed container and depositing the container in a trash receptacle.
- B. Persons having custody or control of such animals in a public place or private property not under such person's control shall have in their possession a suitable wrapper, bag or container for the purpose of complying with this section's requirements. Failure to have the wrapper, bag or container while with the animal in such designated places shall constitute a violation of this section.

1. No permit shall be granted for a pet shop that is not in compliance with the zoning ordinance or other federal, state, or local law; and

From: Animal Friends Connection

Dear Councilmember,

We felt inappropriate actions were taken at the last City Council meeting regarding the proposed Animal Control Ordinance and the amendment thereto. The inappropriate action concerned the closing of public discussion on the proposed ordinance and then amending the proposed ordinance and not allowing public discussion on the amendment.

When we tried to comment on the amendment, we were told that public discussion was closed. Toward the end of the meeting, a councilman indicated that discussion was still open. This confusion on the part of the council denied us, and other concerned citizens, the opportunity to comment on the major changes proposed by Councilman Sieglock.

We are in favor of the original proposal to allow 5 licensed animals per household. We would support a compromise of 5 regularly licensed animals per household and elimination of the Animal Fancier's permit. This would be less complicated, more workable for the city and more likely to generate additional revenue. You may recall from the Council Shirt Sleeve session the number of animals allowed per household in other nearby cities.

Tracy	4 (2 dogs, 2 cats)
Sacramento	3 dogs, 7 cats
Placerville	4 dogs, no limit on cats
Woodland	4 dogs, no limit on cats
Davis	4 dogs, no limit on cats
Livermore	6 (3 dogs, 3 cats)

We, along with many other Lodi citizens we've spoken with, urge you to allow 5 regularly licensed animals per household.

Regarding Pot Bellied pigs, we support the grandfathering clause as the only fair and equitable method of eventually phasing out Pot Bellied pigs in the city.

We support the original barking dog ordinance (stating "frequent barking for a period of ten minutes or more duration") that is used throughout the rest of the state by a majority of animal control agencies. There are existing noise and nuisance ordinances to take care of abnormal noisy situations. The original ordinance, if enforced, is adequate. In addition Animal Friends Connection is willing to help with behavioral counseling for barking dogs. The issue of intermittent barking (any 10 minutes within an hour) as presented in the amended ordinance is complicated to monitor and difficult to enforce. Further, the existing law has been successfully used to address this problem in most areas of the county.

Regarding Chapter 6.04 Impoundment, section 6.04.020 B. We urge you to change the wording to read euthanized or "otherwise disposed of in a lawful and humane manner."

Sincerely,

Animal Friends Connection

CITY CLERK

City Council Member

Dear City Council Members:

I understand that the proposed City Ordinance No. 1605 is once again on the agenda for February 15, 1995.

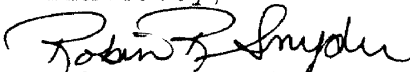

I am asking you, PLEASE do not over turn your first decision about the pigs being allowed in city limits.

All of you are aware of our complex situation and the close neighborhood we live in. Would you like to live next door to a grunting squealing pig? It's not very much fun. Especially when you are home all day and it has been left out on its patio.

Gentlemen, Please do not allow pigs of any size or kind in our city limits.

Thank you for taking the time to read my letter. I would appreciate your support regarding this matter.

Sincerely,

Robin R. Snyder
